

# Hudson Valley Community Power ELECTRICITY SUPPLY PROGRAM IS COMING TO GARDINER

*The Town of Gardiner is considering joining  
Hudson Valley Community Power.*

The program enables municipal leaders to leverage the purchasing power of residents and small businesses to negotiate more favorable terms on their electricity supply, protect consumers and choose renewable energy resources.

*If your municipality joins the program, eligible residents and businesses will receive a letter in late summer/early fall 2022 with their choices and info about how to opt-out.*

**To learn more, join a virtual or in-person info session:**
